Mr. Roy C. Ingersoll, President Berg-Barner Corporation 310 South Michigan Avenue Chicago 4, Illinois

Bear Mr. Ingersoll:

We are most appreciative of the fine cooperation of Borg-Warmer in featuring the Crasade for Freedon in your doublepage advertisement appearing currently in Life, Saturday Evening Post, Time, Newsweek and several other publications.

Ripley is so widely read that I am sure our efforts to obtain support for Radio Free Europe were made known to many thousands of readers as a result of your belp.

On behalf of the Officers and Trustees of the American Meritage Foundation, I extend to you our thanks.

Mingerely.
